

Register your free copy of Avast

Avast Anti Virus is a FREE product but does require registration each year.

To register the product after installation and to renew it annually, follow the steps below

Step 1. Locate the Avast icon on the task bar.

Step 2. Use your mouse to right button click the icon.

Step 3. Select "About Avast".

Step 4. Click on "License Key".

Step 5. Click on "Program Registration".

Step 6. This will redirect you to the Avast Registration Page.

Step 7. Enter your details including your email address.

Step 8. Avast will email you a new Registration code to the supplied Email address.

Step 9. Once received - highlight the code and copy and paste into the license key field at Step 4.

You are now registered for another year of Free Anti Virus protection
